

Job Opportunity (Seasonal) STEWARDSHIP TECHNICIAN

The Laguna de Santa Rosa Foundation is now accepting applications for a **Seasonal Stewardship Technician**!

Are you passionate about protecting local waterways and restoring natural habitats? Join our team as a **Seasonal Stewardship Technician** and play a crucial role in our riparian restoration projects! You'll have the opportunity to work hands-on with habitat stewardship, including managing invasive plants, maintaining irrigation systems for new plantings, and assisting in debris removal. You'll also help facilitate volunteer workdays, engage with the community, and contribute to essential data collection. If you're eager to make a difference in local watersheds and gain valuable experience in conservation, apply today!

- Help ensure the success of our riparian restoration projects, focusing on local watershed habitat stewardship.
- Aid in the control of invasive plant species through manual and mechanical methods.
- Assist in the installation and maintenance of irrigation systems to ensure the survivorship of new plantings.
- Collect, enter, and upload project data.
- Assist in the facilitation of community volunteer workdays.

The Laguna de Santa Rosa Foundation is a watershed-based 501(c)3 non-profit organization in Sonoma County. We work to restore and conserve the Laguna and its surrounding watershed, and to inspire appreciation of the vital wetland habitats and the plant and animal communities that rely on it.

This is a full-time, seasonal position requiring 32-40 hours of labor per week, located in Sonoma County, CA. Hourly pay range: \$20 - \$22. Eligible for 40 hours sick leave front-loaded, paid holidays, two paid personal days, and participation in 403(b) retirement plan.
